

**Mendlesham Memorial Playingfields Charity**  
**Chairs and Treasurers report for the AGM 11.5.22**

The charity has no regular income and the accounts for the year ending 31.3.22 have had no entries, so the bank account remains with a balance of £15 at year end 31.3.22.

All regular expenditure costs such as grass cutting, inspections, repairs to equipment etc are funded by Mendlesham Parish Council which also manage the playing fields.

This year the playing fields grass maintenance work has been contracted out at a greater cost than the previous volunteer arrangement. This has been a successful arrangement to date. There has also been increased use of the facilities for football which is very pleasing.

Volunteers are still involved with other maintenance matters or by liaising with the users. Thank you to all involved.

Completion of the new MUGA and WSA project on land owned by the Charity is now complete. Both areas are very much used by the community and visitors, but the challenge remains to attract formal hirers.
